INDEPENDENT AUDITOR'S REPORT

The Board of Directors Public Wholesale Water Supply District No. 18 Jackson County, Kansas

We have audited the accompanying financial statements of the Public Wholesale Water Supply District No. 18, Jackson County, Kansas, as of and for the year ended December 31, 2014, which collectively comprise the District's basic financial statements as listed in the table of contents, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities of Public Wholesale Water Supply District No. 18, Jackson County, Kansas, as of December 31, 2014, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis information on pages 12 through 13 be presented to supplement the basic financial statements. information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

NOTES TO FINANCIAL STATEMENTS

1 - Summary of Significant Accounting Policies

Entity and Basis of Accounting

The District was organized under Kansas law and is accounted for as an enterprise fund using the accrual basis of accounting. The District is a joint venture of the City of Holton, Jackson County, Kansas, and Rural Water District No. 3, Jackson County, Kansas, which was organized as a public wholesale water supply district pursuant to K.S.A. 19-3545 et seq. The District is not included in any other governmental "reporting entity" as defined in GASB Pronouncements.

Cash and Cash Equivalents

For purposes of the statement of cash flows, all savings and checking accounts are considered to be cash equivalents.

Property, Plant and Equipment

Property, plant and equipment are carried at cost. Depreciation is computed using the straight-line method. When assets are retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts and any resulting gain or loss is recognized as income for the period. The cost of maintenance and repairs is charged to income as incurred; significant renewals and betterments are capitalized.

Capitalized Interest

The District follows the policy of capitalizing interest as a component of the cost of property, plant and equipment.

Income Taxes

The District is a tax-exempt governmental entity and is not subject to income taxes at either the federal or State level.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

The District has certain loan covenants within the bond resolution requiring a net operating income of 125% of debt requirements. At December 31, 2014, the District's net operating income was at approximately 1.72%. The District last approved a rate increase effective March 1, 2010.

NOTES TO FINANCIAL STATEMENTS (Continued)

4 - Deposits

Kansas State Statutes authorize the District, with certain restrictions, to deposit or invest in open accounts, time deposits, certificates of deposit, repurchase agreements and U.S. Treasury bills and notes. Statutes also require that collateral pledged must have a fair market value equal to 100% of the deposits and investments, less insured amounts, and must be assigned for the benefit of the District.

At December 31, 2014, the carrying amount of the District's deposits, including certificates of deposit, was \$1,420,330 and the bank balance was \$1,424,816, of which \$250,000 was covered by federal deposit insurance and the balance by pledged security with a market value of approximately \$1,540,882 held by a counter party but not in the District's name.

5 - Restricted Assets

Restricted assets at December 31, 2014 consisted of:

Bond principal and interest	\$ 320,339
Bond reserve account	<u>294,432</u>

\$<u>614,771</u>

6 - Operating Contract

The District has entered into a contract with the City of Holton to provide the day-to-day operation and maintenance of the water treatment facility, including accounting and record keeping services. Dated August 6, 2012, the contract in the amount of \$ 120,000 per year is for a term of five years.

NOTES TO FINANCIAL STATEMENTS (Continued)

7 - Water Purchase Contract

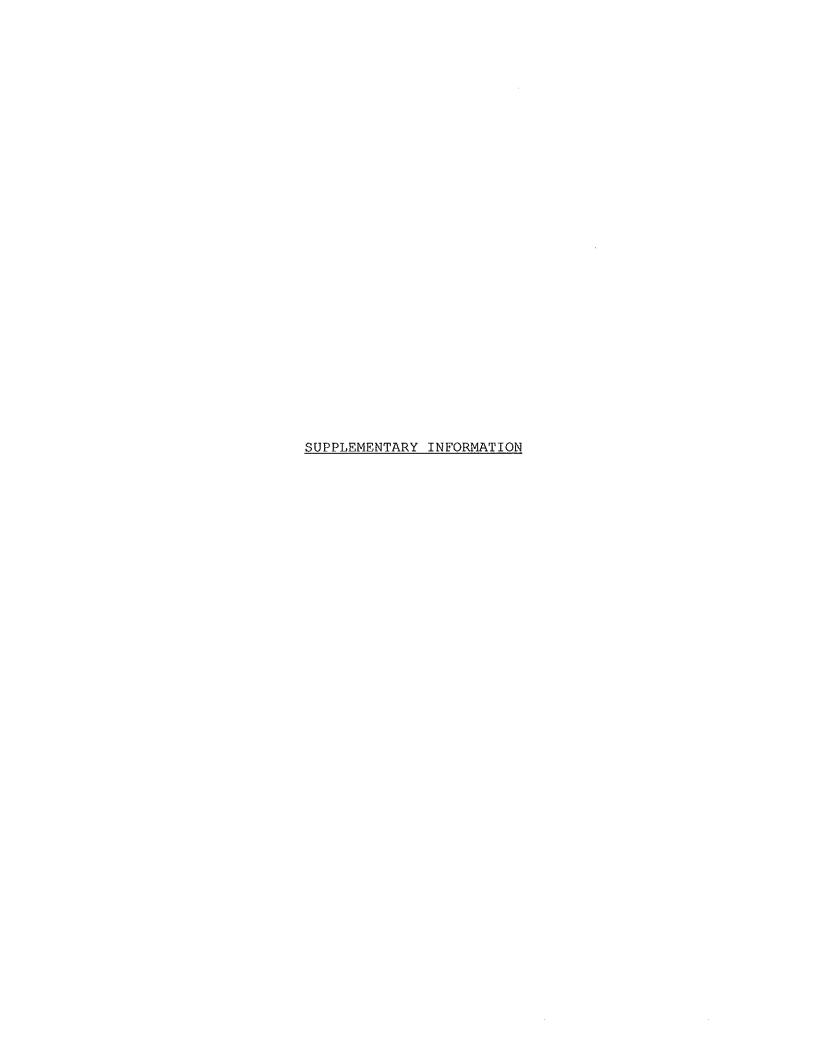

The District has entered into a contract with the City of Holton and Rural Water District No. 3, Jackson County, Kansas, in which the two parties each agree to purchase no less than 8,146,000 gallons of water per month at 1.54 cents per thousand gallons and to pay a base rate of \$ 25,000 per month.

8 - Commitments and Contingencies

The District participated in a federal grant program which is governed by various rules and regulations of the grantor agency. Costs charged to the grant program are subject to audit and adjustment by the grantor agency; therefore, to the extent the District has not complied with the rules and regulations governing the grants, refunds of money received may be required. In the opinion of the District, there are no significant contingent liabilities relating to compliance with the rules and regulations governing the grant; therefore, no provision has been recorded in the accompanying financial statements for such contingencies.

9 - <u>Subsequent Events</u>

Management has reviewed subsequent events through January 20, 2015.

USING THIS ANNUAL REPORT

This annual report consists of a series of financial statements. The Statement of Net Position and the Statement of Revenues, Expenses and Changes in Fund Net Position provide information about the activities of the District as a whole and present a longer-term view of the District's finances.

The Statements report information about the District and about its activities to provide information about the financial position and the changes during the year. These statements include all assets and liabilities using the accrual basis of accounting, which is similar to accounting used by most private-sector companies.

Accrual of the current year's revenues and expenses are taken into account regardless of when cash is received or paid. These statements report the District's net assets, changes in net assets and the cash flow to provide a measurement of the District's financial health or position. You will need to consider other financial and non-financial factors, however, such as changes in the District's area and economy to assess the overall health of the District.

The Notes to Financial Statements provides additional information that is essential to a full understanding of the data provided in the financial statements.
